Each counsel will have a username set up under his or her name as part of their registration on CCMS. They will be given **CCMS Counsel** (giving full access to CCMS to prepare and submit bills) and **CCMS Chambers Administrator** which gives administrative access. Users with this administrator role have the ability to set up set up additional users (e.g. clerks) with access to the account, and give them CCMS roles.

Log in to the Online portal (for help doing this, see the '**Logging in to CCMS**' quick guide). User access to CCMS within your organisation is controlled through the CWA application. Click on the '**Contracted Work & Administration**' link on your list of applications. You will be taken to the CWA Navigator. Click '**CCMS Chambers Administrator**'.

2

Select the '**Admin**' tab on the top right hand corner of the screen. Then choose '**User Accounts**' from the menu provided.

'**User Accounts**' will display all existing users under your account. Check that the user has not already been set up on the system to avoid duplication.

You need to add your new user as a contact before you give them a username. Choose '**Contact Directory**' from the menu on the left to see all the contacts attached to this counsel.

Each counsel will have been set up as a contact under their own name automatically, so there will be at least one contact visible in the directory.

Click '**Add**' to begin creating a new contact.

In the 'Add Contact' screen, enter the required information (indicated by an asterisk). Ensure that you tick the 'Create user account for this contact?' box before
